Why did you choose to pursue a career in education?

Please use the remaining space to mention anything that might help the committee choose a recipient of this award.

Request three individuals write letters of reference for you. Ask the writers to SPECIFICALLY address examples that illustrate your character, community service, and leadership potential. Two of these letters must be from school personnel -- one must be from outside the school system.

Letters should **not** be given to applicant to submit with application. All recommendation writers should mail or give letters directly to:

Elizabeth Stout-Rhine
