Message from the Principal

All students will have their picture taken on **Tuesday, September 19th**. If you would like to order pictures of your child, please return the order form that came home last week before **Monday, September 18th**. Make certain you have the packet marked that you desire and exact payment in the envelope. The photographer does not have change. If you are unsatisfied with the pictures when they are delivered, you may have a refund or a retake will be given. Your child's picture will be taken for the yearbook, regardless of your decision to purchase a packet. Additional order forms are available in the office in the event that you need a replacement. You will also have an opportunity to purchase pictures online after picture day.
