Trojan Spelling Bee Rescheduled

Due to a scheduling conflict, the Trojan Spelling Bee has been moved to Monday, January 22nd, at 1:15 pm in the gym at Trojan. Parents and family are always welcome to come and watch the Spelling Bee. Please mark this new date on your calendar.

School Attendance
Research shows that children who are in school most of the time do better on state tests. Studies also show that kids who are absent more often score lower on state tests. Being late for school also hurts a child's learning. A student who is 10 minutes late every day will miss 30 hours of instruction during the year. Children can copy notes or make up an assignment, but they can never get back what's most important: the discussions, the questions, the explanations by the teacher and the thinking that makes learning come alive. Your child's success in school depends on having a solid educational background, one that can only be gained through **regular school attendance**. Please check our attendance policy listed in our student handbook and contact us if you have any questions.
