## A Message from the Principal

### Cell Phone Policy

We understand that student's sometime have to bring a cell phone to school to communicate with parents after they leave school. However, during school hours, the cell phone needs to be turned off and placed in the student's book bag or locker. Our handbook reads: "Students found in possession of a cell phone at school will have it given to a building administrator and it will be returned at the end of the school day. The second time a student is in possession of a cell phone at school, the building administrator will hold the phone for a parent to pick up." Please help us here at school by reviewing our cell phone policy with your student if they bring a cell phone to school. Thank you for your help with this matter.
