10-20	No School Teacher In-service
10-25	Picture Re-takes

### Checking in and out of the Office:

Any student arriving after 8:15 or leaving before 3:10 must check in or out of the office. When a parent arrives to pick up a child early, they should report to the office to sign out the students. A staff member will assist you and will get your child from their classroom. **Students will only be released to those adults**

**listed on their enrollment forms.** If it is necessary for another adult to pick up a student, parental permission must be received in writing or by phone. **All visitor's must report to the office to get a visitor's badge when they arrive at the school.**

Thanks!

**Start A Habit!** Encourage your student to treat studying as a daily assignment, not just something they do the evening before a test. For example, they might study 10-15 minutes every night on their spelling words or math facts. After they finish their regular homework, they can spend time reviewing notes and handouts. This will help your student to be more successful at school!

**FREE SCREENING FOR CHILDREN UNDER FIVE YEARS OF AGE**

USD367 and the East Central Kansas Special Education Cooperative conduct monthly screenings for children under 5 years of age. If you think your child is experiencing delays in speech, motor skills, information processing, hearing and vision, please contact Mrs. Andrea Manes, Principal, at Swenson Early Childhood Center at 913-755-3220 to schedule an appointment.

### **Did You Know?**

Children who regularly eat meals with their families tend to do better in school. Eating dinner together is great, but other meals count too. If you work at night, maybe you could make time for a family breakfast. Or on a weekend, try a picnic lunch.

## A Message from the Principal

### **Lost and Found**

It is the time of year when students bring a jacket or coat in the morning, and leave them at school when they go home in the afternoon. Clothing items that are found in the lunchroom or at recess and are not claimed are placed in the lost and found. Lost and found is emptied on a weekly basis. If your child comes home from school without a clothing item, please have them check the lost and found the next day. **Also, please place your students name inside their coat or jacket.** This will help us locate the owner of the item when it is turned in. Any assistance you can give us in the area is appreciated.
